thrill

For once, just allow it to happen.
Allow yourself to notice and then
Thrill to the abounding Possibilities.
Or the marvelous Achievements.
Or the sheer Beauty of this instant.
Let the hair raise on the back of
Your neck or your heart stop and
Then restart in the magic. How many
Things thrill you? When was the last
Time you made a list? Been a while?
This is Advent. Peace is coming. How
Is than anything other than thrilling?
More than that, you're helping to make
Peace the Truth we can all thrill to.
