calm

There is so much frenzy in
This war-filled, holiday-filled
Way. Seems an odd combination
No, but if you 'Focus on Fun'
Enough, you don't notice the
War quite as much. But it's still
Right there. Take a deep breath.
Calm. See the Beauty; calm.
Consider what you'd like to see
Come True; calm. Only then can
You purposefully turn your head
Toward Peace and the Invitations
You'd like to issue to those you Love.
There is a Deep Calm in Peace.
